

34-SAMPA G2

LED WEATHERPROOF

- | | |
|---------------------|---|
| Housing | Glass reinforced polyester (GRP) Base |
| Diffuser | Opal polycarbonate |
| Gear Tray | Steel white painted |
| Light Source | Lite-Tech LED module powered by Lumiled |
| Benefits | <ul style="list-style-type: none"> - No light pollution - High performance energy saving - High impact resistance housing cover - High quality plastic clips for tool free locking and opening system - UV stabilized material - Anti-yellowing property diffuser |

DESCRIPTION

Highly efficient and reliable LED waterproof luminaire that offers an excellent quality of light, with a uniform light distribution without visible striping or color artefacts. Hassle-free installation and maintenance, with tool less access to the gear tray with built-in connectors.

APPLICATION

Provides general lighting solution for areas that require high degree of protection against dust and water such as Industrial areas, Warehouses / distribution centers, Parking garages.
